ACM/1376	Items of interest from the literature	99 th	21 October 2021
ACM/1377	Salmonella in Livestock Production in GB	99 th	21 October 2021

Meeting minutes in 2021

32. The full Committee met via Microsoft teams twice in 2021. Meetings in April and October (chaired by Professor Bill Keevil) were plenary meetings open to the public. Some agenda items were considered in close session. Minutes for the two meetings are available on the committee's website ([April](#) and [October](#)).
