

Meeting

Food and You Survey - Wave 3

Information Paper

The FSA has [published the results from Wave 3 of its flagship Food and You 2 survey](#).

Around 6,000 adults across England, Wales and Northern Ireland took part in this survey that was carried out between 28th April and 25th June 2021.

The Wave 3 survey covered the following topics:

- Confidence in food safety, authenticity and the food supply chain
- Concerns about food
- Food security
- Food shopping and labelling
- Online platforms
- Food-related behaviours and eating habits
