

ADVISORY COMMITTEE ON THE MICROBIOLOGICAL SAFETY OF FOOD
INFORMATION PAPER

**Public health risks associated with Enteroaggregative *Escherichia coli* (EAEC)
as a food-borne pathogen**

In December 2015 the European Food Standards Authority (EFSA) published scientific advice on enteroaggregative *E. coli*. An abstract of the Opinion by the Panel on Biological Hazards and a link to the full document can be found on the EFSA website at the following address:
