

ADVISORY COMMITTEE ON THE MICROBIOLOGICAL SAFETY OF FOOD

INFORMATION PAPER

VMD report on sales of antimicrobial products

The Veterinary Medicines Directorate has published a report on sales of antimicrobial products for use as veterinary medicines, antiprotozoals, antifungals, growth promoters and coccidiostats, in the UK in 2005. This is the eighth in a series of reports designed to provide information about the sales of veterinary antimicrobial products in the UK. The Report is available from the VMD website at the following address:
