**LG Regulation/HPA Co-ordinated Food Liaison Group Study:
Catering at Large Scale Events**

In November 2010 the joint Local Government Regulation (formerly LACORS)/HPA Co-ordinated Food Liaison Group published an Evaluation of Hygiene Practices in Catering Premises at Large Scale Events in the United Kingdom with a Focus on Identifying Risks for the Olympics 2012.

For Members' information this study can be found on the HPA website at the following link:
