

ADVISORY COMMITTEE ON THE MICROBIOLOGICAL SAFETY OF FOOD
INFORMATION PAPER
HPA/LGR CO-ORDINATED FOOD STUDIES

Published studies

STUDY – 28. Focused shopping basket sampling linked to Listeria monocytogenes Work Programme 2006/07

Sampling Dates - from May 06 until end April 07

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=19849&authCode=>

STUDY – 29. Hygiene Study of Mobile Food Vendors

Work Programme 2006/07

Sampling Dates - from June 06 until end November 06

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=21109&authCode=>

STUDY - 30. Fresh Herbs

Work Programme 2007/08

Sampling Dates - from May 07 until end October 07

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=20640&authCode=>

STUDY - 31. Salads and sauces from kebab shops

Work Programme 2007/08

Sampling Dates - from June 07 until end July 07

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=21219&authCode=>

STUDY - 32. Edible Seeds

Work Programme 2007/08

Sampling Dates - from October 07 until end March 08

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=21166&authCode=>

STUDY – 33. Speciality Meats from Markets and Delicatessens

Work Programme 2008/09

Sampling Dates - from April 2008 - March 2009

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=22108>

STUDY – 34. Egg Mix from restaurants and takeaways

Work Programme 2008/09

Sampling Dates - from May 2008 – October 2008

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=21833&authCode=>

STUDY – 35. Shelled Nuts

Work Programme 2008/09

Sampling Dates - from October 2008 – March 2009

<http://www.lacors.gov.uk/lacors/ContentDetails.aspx?id=22118&authCode=>

STUDY – 37. Large events – preparatory work for Olympics 2012

Work Programme 2009/10

Sampling Dates - July 2009 – September 2009

http://www.hpa.org.uk/webc/HPAwebFile/HPAweb_C/1287144844852

STUDY – 39. Large events (follow up study)

Sampling Dates - from May 2010 – March 2011

http://www.hpa.org.uk/webc/HPAwebFile/HPAweb_C/1317138362820

Reports yet to be published

STUDY – 36. Butchers' shops (*Pennington response – study 1*)

Work Programme 2009/10

Sampling Dates - from April 2009 – June 2009

STUDY – 38. Pre-packed sandwiches from institutional and retail settings

Work Programme 2009/10

Sampling Dates - from October 2009 – March 2010

STUDY – 40. Hygiene practices and interventions in retail and catering premises (*Pennington response – study 2*)

Sampling Dates – initial sampling from June – July 2010, follow up sampling from February – March 2011

STUDY – 41. Focused shopping basket: *Listeria monocytogenes* contamination in ready-to-eat foods

Sampling Dates – August 2010 – January 2011

STUDY – 42. Reactive response study *Salmonella* contamination in bean sprouts & sprouted seeds

Sampling dates January – February 2011

STUDY – 43. Lightly cooked foods such as sous vide foods cooked by water bath, uncooked egg dishes, rare duck meat (pink duck), chicken parfait and pate made with flash fried live

Sampling dates April – September 2011

STUDY – 44. Reactive response study – Duck Eggs

Sampling dates July – September 2011

STUDY – 45. Pennington response study 3 - *Hygiene Practices & Interventions in Retail & Catering Premises*

Sampling dates October 2011 – March 2012

STUDY – 46. Reactive response study - Pre-cut Fruit from Retail, Catering and Restaurant Premises

Sampling dates January – March 2012

STUDY – 47. Olympic preparation & response sampling

Sampling dates April – 30th September 2012

STUDY 48 - Pâté: comparison of 'in-house' produced & large-scale produced liver-based pâté

Sampling dates April 2012 to March 2013

STUDY 49- Microbiological safety of ready-to-eat meat pies

Sampling dates January 2013 to March 2013

STUDY 50 - Soda water study: plain soda water from soda gun or fixed dispensing point

Sampling dates May 2013 – March 2014

STUDY 51 - Pre Packed Sandwiches Study: Sandwiches from unregistered premises and small/medium enterprises.

Sampling dates July 2013 – March 2014
