INFORMATION PAPER

Report from the *Ad Hoc* Group on Raw, Rare and Low Temperature
Cooked Food

The Draft Report from the *Ad Hoc* Group on Raw, Rare and Low Temperature Cooked Food was presented to the full Committee at their meeting in October 2013. During discussion some amendments were suggested. These were considered by the *Ad Hoc* Group Members and have been incorporated into the attached final report which has been passed to the FSA.

The Report has also been posted on the ACMSF website:
